

the bill. I thank my Republican colleagues on the Health Subcommittee, including Ranking Member MCMORRIS RODGERS, Ranking Member GUTHRIE, and Dr. BURGESS for working closely with me on this bill over the last several weeks.

This manager's amendment makes sure that the structure of ARPA-H will help the Agency achieve success. Specifically, the amendment requires: First, two-thirds of the ARPA-H program offices be exclusively dedicated to research and development; number two, not more than 15 percent of the ARPA-H budget to be used on administrative expenses; and, thirdly, removes the requirement of Senate confirmation of the ARPA-H director.

I think these are commonsense provisions that improve the bill and, ultimately, strengthen ARPA-H and its mission; and it is why I urge my colleagues to support this amendment.

Mr. Speaker, I yield back the balance of my time.

Mr. GUTHRIE. Mr. Speaker, I claim the time in opposition, even though I am not opposed to the bill.

The SPEAKER pro tempore. Without objection, the gentleman from Kentucky is recognized for 5 minutes.

There was no objection.

Mr. GUTHRIE. Mr. Speaker, the Chair of the subcommittee kind of went through what the amendment says. Another thing that we need to make sure is reinforced is that the amendment would ensure that agency and precious U.S. taxpayer dollars can never go to nondomestic recipients organized under the laws of a covered foreign entity as defined by the National Security Act of 1947. This includes China, Russia, Iran, and North Korea. So I want to make sure we understand that.

I said this on the debate on the bill that the Chair and I were talking back and forth. And I understood the mission of what we wanted to accomplish with ARPA-H, but I was concerned about the application of it and how it would actually be put into place. We had a lot of discussions based on that.

This amendment really does define as best as we can define in legislation, without vague terms, what we want ARPA-H to do. This amendment ensures that 85 percent of the money goes to research and not to administration and growing an agency. We think that this really does narrow and, as we said earlier, put guardrails. This amendment is what accomplishes that with the bill. I am for this amendment, and I encourage its adoption.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Pursuant to the rule, the previous question is ordered on the bill and the amendment offered by the gentlewoman from California (Ms. ESHOO).

The question is on the amendment offered by the gentlewoman from California (Ms. ESHOO).

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mrs. BOEBERT. Mr. Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this question are postponed.

Pursuant to clause 1(c) of rule XIX, further consideration of H.R. 5585 is postponed.

COMMITTEE ON THE BUDGET

The SPEAKER pro tempore (Ms. MANNING) laid before the House the following resignation as a member of the Committee on the Budget:

Hon. NANCY PELOSI,

DEAR SPEAKER PELOSI: I write to respectfully tender my resignation as a member of the House Committee on the Budget. It has been an honor to serve in this capacity, and I fully endorse Congressman Blake Moore of Utah for this position.

PASSAGE OF THE RESTORING  
HOPE FOR MENTAL HEALTH AND  
WELL-BEING ACT

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Madam Speaker, I rise today to applaud the passage of the Restoring Hope for Mental Health and Well-Being Act.

Millions of Americans live with a very serious mental health or substance abuse disorder. We must recognize their plight as part and parcel of providing overall health.

When we ignore the signs and symptoms of mental and substance abuse disorders, we are unable to attain the help that is available for millions, but help is available.

Now, thanks to this legislation, we will ensure more people have access to quality, affordable behavioral healthcare.

By increasing resources for proper diagnosis and recovery services, telehealth, mental health screenings, suicide prevention, we will improve lives and save lives all across our country.

Let us continue working to provide the care that is essential to daily life. Help is within reach. Let us make sure that those who need medical diagnoses on the behavioral front receive it. Finally.

As a member of the Mental Health Caucus and the Bipartisan Addiction and Mental Health Task Force, I thank the Committee on Energy and Commerce for their steadfast work to assure wellness for millions of Americans.

CONGRATULATING EAGLE SCOUT  
ANDREW RUGH

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to recognize the accomplishments of Mr. Andrew Rugh, an Eagle Scout from Troop 28 in Rocky Grove, Venango County, as he celebrates completing all 138 merit badges offered by the Boy Scouts of America.

Andrew has been a member of Troop 28 for more than 7 years and has had the support of his parents, Chad and Christina Rugh, throughout his time in Scouting.

Becoming an Eagle Scout is a great honor. Only 8 percent of all Scouts attain the rank of Eagle Scout, and less than half a percent of Scouts are estimated to have completed all available merit badges.

On his path to earning each merit badge, Andrew was challenged to learn various skills ranging from law and chess to archery and welding.
